Useful documents

To help prepare learners and centres we recommend that the following Joint Council for Qualifications (JCQ) documents are used as guidance and these can be found on our website under the Diploma section

- Instructions for conducting examinations
- Notice to candidates – written instructions
- Warning to candidates – written instructions

They should also be read in conjunction with:

- General and Vocational Qualifications - General Regulations for Approved Centres and;
- Key dates

Both of which can be found on the (JCQ) website www.jcq.org.uk

It is advised that your exams officer familiarises themselves with all of the appropriate JCQ documentation relevant to the Diploma qualification in preparation for September 2009.
