

The 10 Step Approach to EPA – Guidance Notes

Step 5 – Gateway

Training Provider uploads apprentices' evidence for gateway

How to upload evidence video

This video will help with uploading the gateway evidence in preparation for the EPA booking

On Programme Achievement Record for Hairdressing

Training providers should use this document to confirm achievement of the hair professional qualification (hairdressing).

On Programme Achievement Record for Barbering

Training providers should use this document to confirm achievement of the hair professional qualification (barbering).

Gateway Declaration

Training providers should use this declaration form to confirm the three way agreement for readiness for the EPA by the apprentice, employer and training provider.

A Guide to English and Maths Requirements

This is a guide to acceptable qualifications that fit the apprenticeship requirements.

Step 8 - EPA

Apprentice undertakes End-point Assessment

Checklist for Apprenticeship Assessors

This is the checklist that the Apprenticeship Assessors will use on the day of the EPA to ensure everything is in place for the EPA to take place.

EPA Guide Book for Apprenticeship Assessors Barbering

Training providers, employers and apprentices should familiarise themselves with this document to ensure there is complete understanding of the barbering EPA. This booklet holds all of the grading criteria across the EPA, including the oral questions that each apprentice will be asked during the EPA.

EPA Guide Book for Apprenticeship Assessors Hairdressing

Training providers, employers and apprentices should familiarise themselves with this document to ensure there is complete understanding of the hairdressing EPA. This booklet holds all of the grading criteria across the EPA, including the oral questions that each apprentice will be asked during the EPA.
