

Client Declaration Form

Hair Professionals (Hairdressing)

This form is required to be completed by the apprentice for each client within the End-point Assessment and made available to the Apprenticeship Assessor. The centre must retain these records for 12 months.

Complete the sections of the Client Declaration Form that are applicable for each client.

Skin Allergy Test

It is a legal obligation under Section 3 of the Health and Safety at Work Act to ensure that the client's safety is paramount and that clients receive the duty of care that they are entitled to. A skin allergy test following manufacturer's instructions, must be performed 24-48 hours prior to the colouring and lightening service.

As a client for an End-point Assessment, you are required to sign this disclaimer, confirming that a skin allergy test has been performed 24-48 hours prior to the colouring and lightening service and that you consent to being a client for an End-point Assessment.

You are required to sign to state that no evidence of irritation or allergy has been noted, following the skin allergy test.

Please note:

- If a skin allergy test is not carried out following the above procedures, the colouring and lightening service will not be permitted to go ahead.
- No colouring or lightening service will be performed on clients under the age of 16.

I can confirm that I am over 16 years old and that I have received a skin allergy test prior to the colouring and lightening service being performed in the End-point Assessment.

Suspected infections and infestations

The purpose of the inspection of the client's hair and scalp is to ensure that there are no suspected infections or infestations that would prevent the service from going ahead. This inspection will be completed as part of the client consultation.

I can confirm that the client's hair and scalp have been inspected during the consultation for each service and that no suspected infections or infestations have been identified that would prevent a future service from going ahead.
