

Learner Progress Tracking

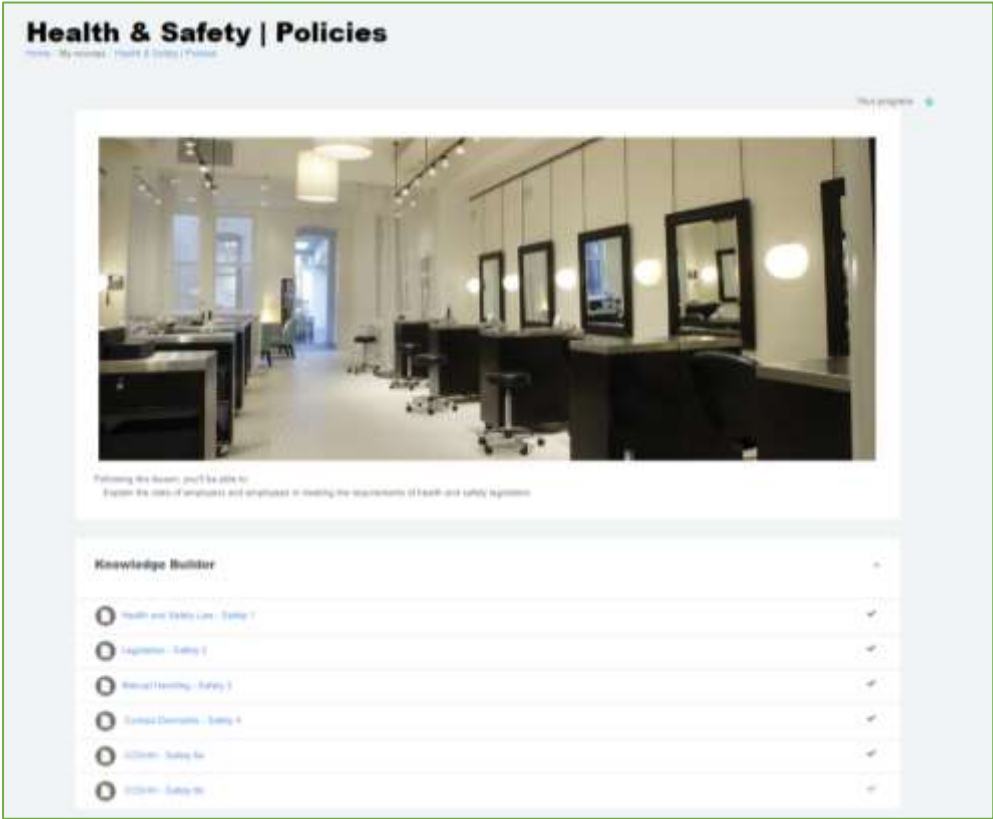

Learners can track their progress from their Dashboard and Class

Clicking on the Class will allow the learner to see their percentage progress, for each assigned Learning Path

Clicking on the Learning Path will allow the learner to see their percentage progress for each Course

Clicking on the Course will allow the learner to see which activities they have accessed/completed (Marked with a ✓)

Clicking on the Learning/Lesson Challenge, will allow the learner to see their score
Clicking on Review will open the quiz questions and answers
