

VTCT

Why choose VTCT

Smarter support for brighter futures

1st class communication

Swift responses to your queries from our expert customer support team – easily accessible by phone or email.

Network of support

Knowledgeable subject matter experts, examiners and quality assurers on hand to support you to achieve the best learner outcomes.

Dedicated account manager

Your account manager is committed to solving your queries quickly, professionally and courteously.

Transparent processes

Straightforward, efficient examination administration processes supported by transparent and detailed guidance.

Tailored learning platform

Enrich learning with complimentary access to our Pivot Point LAB learning hub for hair, barbering and beauty.

E-Portfolio

Gain a clear picture of learner progress with our tracking, recording and assessment platform.

Regulated qualifications

Our qualifications are mapped to UK regulatory framework and articulate with the European Qualifications Framework and the NQF in Ireland.

International careers

VTCT qualifications are renowned across the world, and provide a passport to employment.
