

Health Declaration Form

Beauty Professionals

Due to the ongoing and rapidly changing situation with Coronavirus (COVID-19), VTCT require all persons involved in an End-point Assessment to complete a Health Declaration form. This is to ensure that health and safety is paramount and to safeguard all apprentices, staff and clients.

The Health Declaration form is to be completed by the Apprenticeship Assessor and Exam Assistant on the day of the End-point Assessment. The centre must retain these records securely for 3 months.
