

Zero-hour Workers and Employees

Vocational Training Charitable Trust (VTCT) is a specialist awarding organisation (AO) and current market leader in the Hair and Beauty sectors. Launched in 1962, it offers vocational and technical qualifications, including apprenticeships, in a range of service sectors. We work with several other brands under the VTCT umbrella, Skillsfirst, supporting the Early Years, Business and Management and Health and Social Care sectors and ITEC, our premium brand taking the organisation to a global field.

We are always looking out for exceptional talent to join us; so if you are passionate about education and want to work in a vibrant environment with people who believe in our mission to advance education for the public benefit, please apply and support our charitable objective; the advancement of education in the UK and internationally.

Our zero-hour workers and employees are vital to enable us to deliver our objectives quickly through the changing landscape. Whether this is for quality assurance or for technical expertise the need to act of requirements can be very fast-paced. As such we're looking to create a database of workers who can be contacted when needs arise.

Our core values can be found on our website: https://www.vtct.org.uk/wp-content/uploads/2022/05/Strategy-2021_v0.25-FINAL-1.pdf

Application Process:

Please submit your CV and a covering letter to recruitment@vtct.org.uk detailing the type of work you would be interested in. Please be sure to emphasise the sector you're in as well as your specific level of experience with a range of different techniques.

All applications will be kept for one year but you are able to apply again during this time. If you are contacted about a role, there is no obligation to take it if your circumstances have changed or you are no longer interested. If you are not contacted, this may be because we have not been looking for the role you desired or the sector you specialise in. It should not be taken as an indication of your abilities and we would welcome you to apply again in the future. Unfortunately, due to the number of applications, we are unable to respond to all enquires.
